

The International Ranger Federation & The Thin Green Line Foundation World Ranger Day Event Hosting Application

World Ranger Day is celebrated worldwide on the 31st July to commemorate Rangers killed or injured in the line of duty and celebrates the work Rangers do to protect the world's natural and cultural treasures. Let's pause for a moment to reflect on the sacrifice that these Rangers make; to honour the fallen Rangers and their colleagues who still bravely undertake their role in the field. World Ranger Day is an International Ranger Federation initiative promoted together with its official charity arm, The Thin Green Foundation Ltd.
