

WORLD RANGER DAY 2026

ROLL OF HONOUR

Recognising Ranger Deaths in the Line of Duty

1st June 2025 to 31st May 2026

The 147 rangers from 40 countries named on the 2026 Roll of Honour have been verified by the International Ranger Federation as having lost their lives in the line of duty between 1st June 2025 and 31st May 2026, including any names omitted from the 2025 Roll of Honour. This figure does not fully reflect the global reality of ranger fatalities. In many regions, obtaining reliable information remains extremely challenging, and the true number of rangers who have died in the line of duty is likely to be significantly higher. We also remember with honour and respect those rangers lost during the past year due to suicide. In acknowledging these losses, we recognise the importance of supporting ranger wellbeing and mental health. Finally, we pay tribute to the many unnamed and unknown rangers who have made the ultimate sacrifice in defending the world's protected areas and natural heritage.
